

# Intra Multi-Des GA

Have you met  
the world's leading  
disinfectant?

## INTRA MULTI-DES GA FIRST AID FOR FARM BIO SECURITY

When it comes to the threat of deadly pathogens and diseases, prevention is always better than cure. Intra Multi-Des GA is a widely registered disinfectant for the biosafety of you and your animals.

Proven efficacious against a wide range of worst-case-scenario microorganisms and containing unique residual action and wettability properties, Intra Multi-Des GA is the leading disinfectant you can rely on.

## 6 REASONS TO CHOOSE INTRA MULTI-DES GA

- ✓ Completely eliminates African Swine Fever
- ✓ All-round disinfectant with 5 active ingredients
- ✓ Effective against bacteria, viruses and yeasts
- ✓ Already effective at 0.2% a dosage for bacteria and 0.75% for viruses
- ✓ Strong residual action and wettability properties
- ✓ Extensive registrations

A **VISIBLY CLEAN**  
surface can still harbour  
millions of bacterial  
cells

Intra Multi-Des GA is  
the **5<sup>TH</sup> GENERATION**  
disinfectant

Intra Multi-Des GA  
kills **99.999%** of all  
microorganisms within  
5 minutes

INTRA MULTI-DES GA CONTRIBUTES TO THE REDUCTION OF ANTIBIOTICS

Intra Multi-Des GA is a product from the  
Intra Hygiene programme. The no. 1 programme  
to ensure optimal biosecurity.
